Joint Secretary

Annexure-I

INCIDENT RESPONSE TEAM - DISTRICT LEVEL

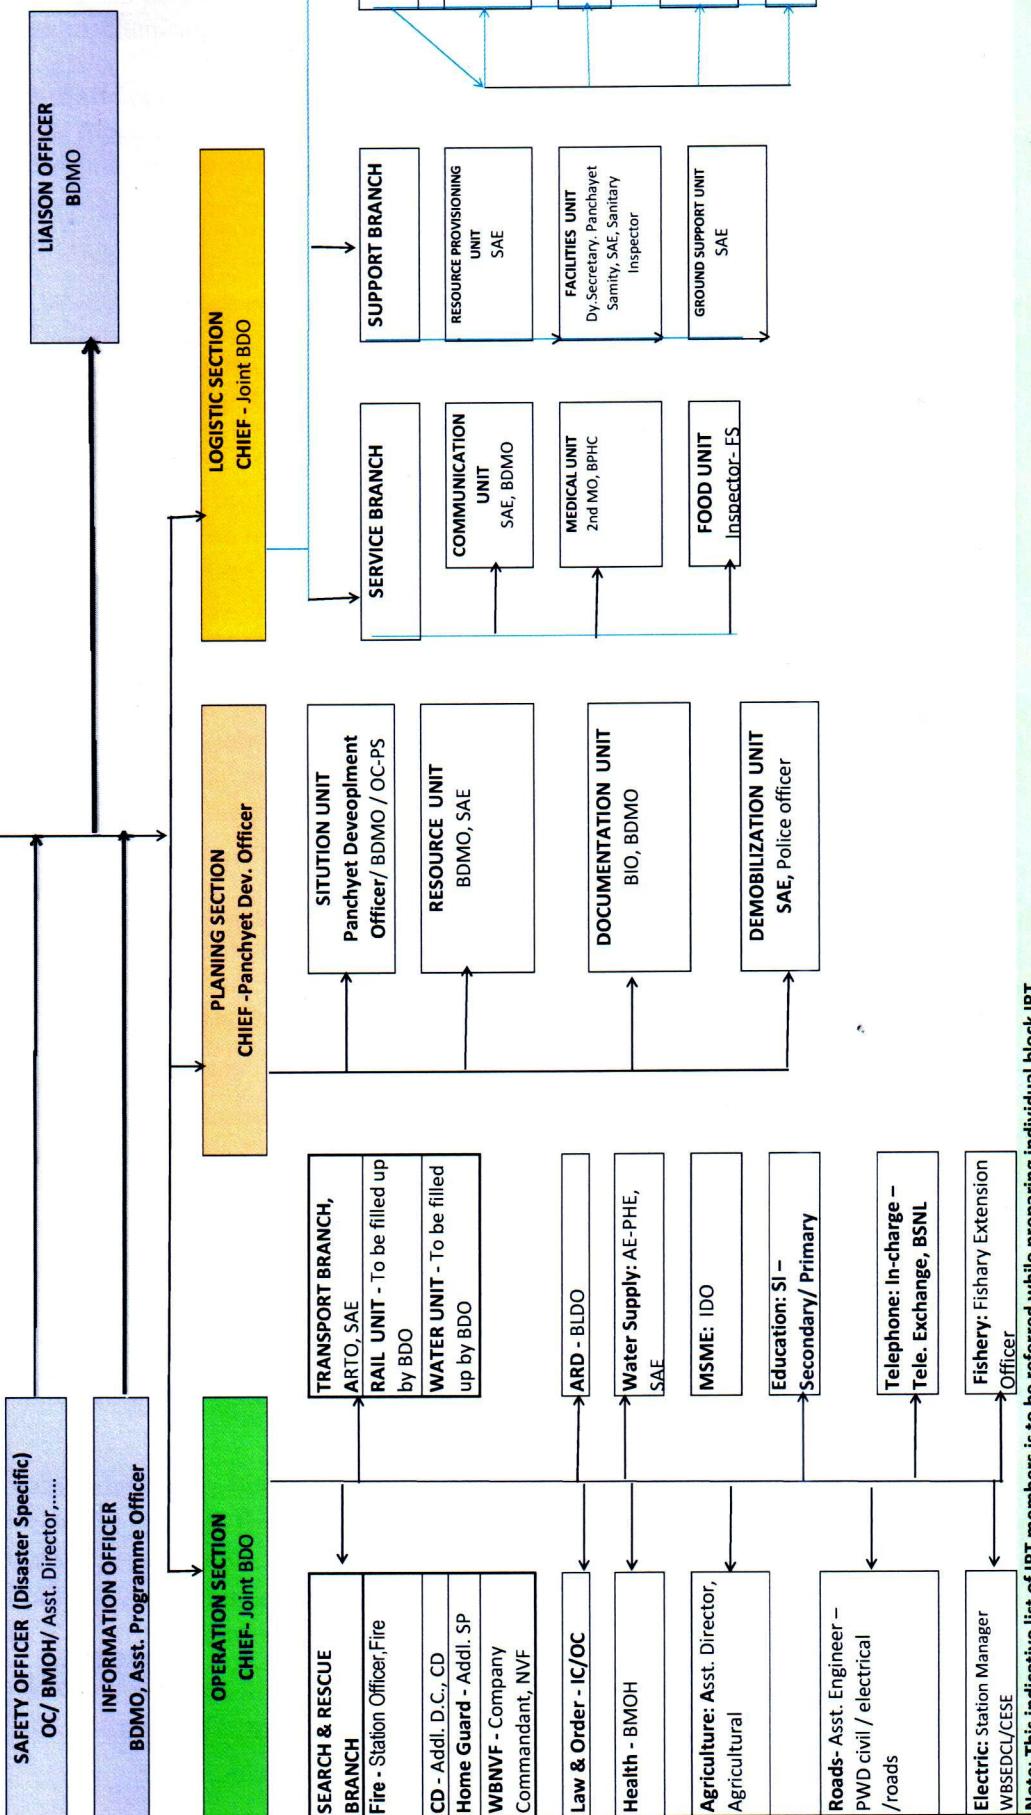

INCIDENT RESPONSE TEAM - SUB-DIVISION LEVEL

Annexure-III

INCIDENT RESPONSE TEAM - BLOCK LEVEL

**RESPONSIBLE OFFICER
& INCIDENT COMMANDER
BLOCK DEVELOPMENT OFFICER**

Note: This indicative list of IRT members is to be referred while preparing individual block IRT.

Role & Responsibility:

Incident Commander:

The IC is the over all in-charge for the management of onsite response to any incident. S/he will obtain information, identify priorities, activate IRT, orient Incident Action Plan (IAP), establish contact with line departments, ensure systematic monitoring, ensure coordination among different sections, ensure availability of equipments & instrument and perform all such other necessary duties to minimize loss of life and property by strengthening response mechanism.

Deputy Incident Commander:

The DIC will perform as supporting commanding officer of the IC, depending upon the magnitude and nature of the incident. S/he may mutually share some of responsibilities with IC as per situation to minimize loss of life and property.

Safety Officer:

S/he is responsible for taking all necessary measures for assuring safety of responders and to anticipate hazardous and unsafe situations & review it regularly, support the IC for preparing IAP by reviewing safety implications, obtain details of accidents occurred within the incident area and report to authorities, maintain records of various activities performed in the IRS form-004. Perform such other duties as assign by the IC.

Information Officer:

Prepare and release information about the incident to the media agencies and other with the approval of IC, jot down decision taken and direction issued, monitor and review of various media reports & supports IC for planning, coordinate with IMD and collect weather information and disseminate to all concern and maintain records of various activities performed in the IRS form-004. Perform such other duties as assign by the IC.

Liaison Officer:

S/he is the focal point of contact for all line departments, agencies, PRI & ULBs participating in response. S/he will carry out liaison with all concerned department / agencies including NDRF, armed force and will monitor current or potential inter-agency problems and will try to mitigate of those in consultation with IC. Perform such other duties as assign by the IC.

Chief of Operation Section:

S/he is responsible for directing the required tactical actions to meet incident objectives. Management of disaster may not immediately require activation of all branches, sections and groups. Expansion of the OS depends on the enormity of the situation and number of different types and kinds of functional groups required in the response management. Perform such other duties as assign by the IC.

Chief of Planning Section:

S/He is responsible for collection, evaluation and display of incident information, maintaining and tracking resources, preparing the Incident Action Plan (IAP), other necessary incident related documentation. S/he will assess the requirement of additional resources, propose from where it can be mobilized and keep IC informed. This section also prepares the demobilization plan. Perform such other duties as assign by the IC.

Chief of Logistic Section:

S/he is responsible for providing back end services and other logistic support like communication, food, medical supplies, shelter and other facilities to the affected communities and responders as well. Necessary coordination will be made with finance department to ensure availability of logistics. Perform such other duties as assign by the IC.

Chief of Finance & Administration Section:

S/he is responsible for managing all financial aspects of response management. The section will ensure quick and effective procurement by maintaining the proper procedure and need to keep all records of procured items. S/he will also ensure scrutiny of cost involved and examine records as per government norms. Perform such other duties as assign by the IC.
